CIRCULAR

Subject: Guidelines for Admission in Dr. B. R. Ambedkar Schools of Specialised Excellence affiliated with the Delhi Board of School Education (DBSE)-Session 2024-25 in class 9th and class 11th.

The Government of NCT of Delhi established Dr. B. R. Ambedkar Schools of Specialised Excellence (ASoSEs) in the year 2021. These Dr. B. R. Ambedkar Schools of Specialised Excellence have been established to align with the vision of NEP- 2020 so that students with deep interest and aptitude in a particular domain get specialised learning opportunities from Secondary stage onwards (from classes 9th to 12th).

Dr. B. R. Ambedkar Schools of Specialised Excellence are choice-based schools. These schools have world class infrastructure and facilities suited to transact new-age curriculum and assessment in the specialised domains. Students will have the opportunity for experiential learning through projects, field visits, internships, etc. in their field of interest. This will nurture students for all round development and at the same time set them up for success in their chosen area of specialisation.

Further, to provide an opportunity of all round development and give exposure to wide range of subjects alongside emphasis on specialisation, the curriculum for these schools is divided into two parts:

- **Common across all ASoSE:** Foundational level of learning- Languages, Basic Mathematics, Basic Science, Social Science, Design, etc.
- **As per specialisation:** Advanced level as per the specific specialisation. This is aligned with future prospect of higher education or new age employment opportunities.

In order to provide students an access and exposure to the best possible expertise in their respective fields, the schools have strong tie-ups with knowledge partners of global repute.
